

Rhode Island's Largest Employers

There are thirty companies in Rhode Island's private sector each employing over 1,000 workers. Together they employ over 58,000 workers, accounting for nearly 15 percent of the state's private employment. Included are eight of the state's hospitals, five manufactures, five retail chains, and three insurance companies. This list is generated based on information provided by the Rhode Island Economic Development Corporation.
